

Please pray for the night shelter...

Each night: for God's presence, provision, and protection to be evident at the shelter.

Dec 2: for our first guests to feel welcome and safe, and for our volunteers to express God's love to them.

Dec 9: for smooth running, safety, and the many logistics of running the shelter all winter: coordinating volunteers, rotas, laundry, transport, food provision, insurance, etc.

Dec 16: for people who find themselves alone over the holidays.

Dec 23: for people who struggle with substance abuse and addiction.

Dec 30: for people who are homeless due to family break-ups. For parents separated from children.

Jan 6: for those who care for homeless people throughout the year: local council, CAB, police, doctors, and charities.

Jan 13: for justice to be done in the community so that all people have access to housing and public resources, for an attitude of concern in our society that leads to practical care and just policy-making.
