**Ron Sue** and the rest of the family wish to thank all those at TRBC who have prayed for us, given us many practical things (i.e. food, ironing and visits) they have been greatly appreciated. Please continue to pray that Susan settles in quickly and that the anti-biotics for her leg do their work quickly. Also please pray for me as my domestic arrangements have to be changed and that the Lord's patience will be with us both. It has been a long 10 weeks with many ups and downs, but knowing so many people have been praying for Susan and the rest of the family this has kept us going. Once again many thanks.
