## TRBC Leadership Elections 2010

You must be wondering why with so much going on with Sue I have decided to stand again to be part of Leadership team? One word came to mind when I thought and prayed about this, the word is consistency. During the next few years we are going to face a number of challenges, new building, Lisa becoming part of the team and whatever else comes our way. With All these challenges I decided to stand to help and encourage not only the team but you as a fellowship.

By being consistent I bring not only financial skills but also, I hope, an insight into the heart of God"

## **Audrey Jesty**

For those who don't know me I'm married to Martin (25 years this month!) & we have 3 children who are (almost) grown up. I have been a member of TRBC since our youngest, Ben, was a baby (17 years ago). Our two daughters, Becca & Beth both got married within the last 2 years.

I first committed my life to Jesus while reading a Christian novel at age 7, but even before that I knew God was there. My parents were both believers & we attended the local Methodist church in Virginia Water. Later I was baptised in the Baptist church we belonged to in Slough, where Martin & I met & married.

My dad's fatherless childhood made him determined that his children would know their father's love & protection, however he was killed in a car accident leaving my mother a young widow with 2 pre-school age children. So I grew up in a single parent home, knowing my parents love but also learning that God was my father who would never leave me.

I think this is where my passion for family life comes from. I believe that God has given us a model to live by not because it's easy but because in it we learn to give & receive love & because it can provide a strong foundation for children. All around us we see marriage breakdowns & children growing up hurting, confused & wondering if it was their fault.

As a family we have had some great role models in the churches we've attended & we appreciate the support of the "extended family" God has given us. I long for us to reach out to our community with God's father heart. Not showing them our "perfect" families as clearly we have our own problems, rather showing them how living with God can bring healing & reconciliation to our brokenness.

I hope as part of the leadership team at this exciting time for TRBC I will be able to encourage us all to reach out to the many people around us who feel disillusioned with life & show them that God is not irrelevant but essential. Alongside that I want to ensure that each child growing up in TRBC knows that they are loved & valued by us as a church & by their infallible Father God.

I believe we need to be really committed to serve one another in humility & love, giving of ourselves selflessly & constantly praying for the Holy Spirit's guidance. I will try to do my part as God leads.

## Gillian Martlew

I first prayed a prayer of repentance and asked Jesus into my life in July 1978. I attended Walton Baptist Church and later that year was baptised. After 6 years there we moved to Addlestone and attended the local Baptist for 5 years.

In 1989 we moved to Horsham and quickly settled in TRBC. Having been an active member since 1990 my areas of service have covered a period in Children's church, day alpha, shared role as housegroup leader, and joint leader of a daytime group for ladies.

For the last 8 years I have been involved in parent and toddlers talking to parents and arranging social events. At present my role in Café Connect is organiser. For approximately the last 6 years I have met with a group of ladies on a Monday afternoon to encourage and pray for one another and the needs of the fellowship and whatever the Lord has laid on our hearts

Considering a role within the leadership, I am particularly keen to encourage more prayer within the church and with the help of other leaders to develop the area of corporate prayer. I hope also to help the other leaders in their roles and be willing to do as the Lord leads.

## **Michael White**

I have been a full member of TRBC for seven years since my baptism and in that time have been an active part of the worship team. I have been leading the worship group since Doug left and feel that I can better serve the worship team and the church as a leader. I feel that I am constantly growing in my role as a worship leader and I will continue to focus on ways of making Sunday mornings a time to meet with God while making them accessible to both regular attendees and visitors alike. As part of the leadership I would like to identify our vision and work to achieve this by challenging the worship and prayer life of the church. I have a passion for different styles of worship and am keen for us to try those that are suitable as a church. I would like to encourage the freedom to express the Holy Spirit in services and to make more space available for response. I have been asked to stand because of my gift of leadership and my heart for TRBC.

**Children's Church**

During the worship part of our service the children will leave for their groups. Newcomers and visitors are most welcome in all of the groups. Follow the crowds for:

Crèche...0 - 3 year olds  
The Bus...3—10 year olds

A little later The Cabin Crew (11—14 year olds) will leave for their own session. Please see one of the stewards for more information.

**Fair Trade Christmas Market November 27th** – the event is fully booked with stall holders and all set to be a good day BUT we have a problem! Only 3 members of the committee are available that day and they have put out a request for volunteers who would be willing to wear a sandwich board for an hour - or 30 minutes if that's all you could stand... or be free to help us set down at 4pm? If you can help please let Gaynor Cooper know by e mail or phone (261157)
