We need volunteers to come and decorate the church for Christmas ahead of our Grand Opening. Please come along to the Church From 9am until 11am on Saturday 26th to help with this.

### **Building Issues:**

We are aware that movement upstairs causes the projector to vibrate. There are plans to move the projector but until this happens, please bear with the 'wobbly screen' ! Likewise, we are also aware that there is some noise transition and again this will be improved once the screens are installed.

### **Barnabas Fund**

The director of Barnabas Fund, Dr Patrick Sookhdeo, will be speaking at our morning service on Sunday Nov 20th.

The Barnabas fund works to meet the practical and spiritual needs of persecuted Christians around the world, channelling money through existing structures in the countries where funds are sent. In addition they address both religious and secular ideologies that deny liberty to Christian minorities - while continuing to show God's love to all people

**Car Parking** Would all drivers please take a moment to look at the car parking plan which is held at reception. Cars should enter the car park from the Manse side and exit by the church. Cars should be parked sequentially so that the spaces at the front are left until last.
