This is Horsham District Council-led venture to strengthen Church/Civic links in our area. The service will also have an unusually strong local Sussex flavour to readings, poems, Christmas music etc. – and is therefore unlikely to feel like a duplicate of our own Carol Services!

Luncheon Club Drivers - We look like being short of drivers for Luncheon Club this week. Please see Mike Sheppard today if you are able to help.

Dalesdown – As you may know, we are starting to do some important refurbishment work at Dalesdown so that we can Keep Dalesdown Special. We will be arranging work parties each day (including some evenings), and volunteers would be welcomed for all or part of any day. We would be really grateful if you could give this appeal for help some publicity in news sheets, etc. at your Church, and invite anyone who is interested in helping out to contact Richard or Peter through the Dalesdown office on 01403 710712. For more information, go to our Keep Dalesdown Special page at <http://www.dalesdown.org.uk/keep-dalesdown-special/>

Christians in Science event - 3rd December @ 7 p.m. at Christ Church, Purley, Surrey. The guest speaker is Professor Sir Colin Humphreys, Director of Research, Univ. of Cambridge; a strong Christian, top scientist and good speaker. His topic is 'Can a Scientist Believe in Miracles?' and he will take questions from the audience after his talk, should you wish to ask any. Nick Bailey is planning to go to the next one (leaving Horsham at 6pm) – please let Nick know if you would like to join him. Four of us went to the last one - it was excellent and a great opportunity to think about, talk about and discuss the 'faith and science' issue.

Margaret Steenbergen has been transferred to Horsham Hospital and would appreciate visitors.
