difference to world mission in a real and practical way. On

your Birthday you are sent a card and in return you send a gift to the

BMS. Why not join the scheme today? Every little helps! Contact

What's new at www.trbc.info?

Each month, we will be updating you with some of the new/updated

items that are on the website.

This month we have added pages about our recent events, including

the Plant and Cake Sale and the Week of Prayer.

Why not head over there and read more about what's new? If you

have any suggestions of what could be added to the website, please

contact the administrator.

Crèche volunteers — We're looking for one or two more to be on a

rota for looking after any babies and toddlers. You will only be

needed once a month. If you are able to help, please speak to Faith.

Sign up sheets — have been updated so there are now more spaces

to fill in for people to volunteer to lead intercessions and to read the

Bible passage during our Sunday services. Please have a look and fill

in the dates you could do. There is a book to help with planning

intercessions, if this is something you would like to do but struggle

with ideas.

Horsham food bank — Access to the foodbank is by referral and keeping the profile of the foodbank high amongst referrers has always been a challenge. We're looking for a Communication Volunteer, someone outgoing and computer literate (no need to be an expert, comfortable is fine!) who communicates well face to face, on the phone and by email to maintain frequent communication not only with the referrers to the foodbank but also with the other volunteers, donors and the churches. We have been working with a digital marketing agency to set up a quarterly newsletter and this also needs to be picked up again, as well as visiting the foodbanks to talk to the clients to capture their stories. Up to a couple of days a week, medium to long term commitment, based at the office in Blatchford Road, could in part be done from home and would also require visits to foodbanks and potentially referral agencies. Contact Ruth Hodgson, Community Support Manager 0300 124 0204. Job spec available from the church office.

We are a Christian Alliance working to end violence against women and promote healthy relationships in the UK and internationally.
