

It is the intention of TRBC that the Church should actively seek to use the building for any activity that **primarily** furthers the aims of the church. The church does not provide the sort of services that a commercial company would provide. All charges are worked out to cover the cost of operating the building.

- 1.1 All bookings must be in accordance with the Letting Policy and in keeping with clauses 2 & 3 of the Governing Document of the Church (see below) and any application that is not compatible with either the purpose or the beliefs as laid out in the Governing Document will be refused.

2 PURPOSE

The principal purpose of the Church is the advancement of the Christian faith according to the principles of the Baptist denomination. The Church may also advance education and carry out other charitable purposes in the United Kingdom and/or other parts of the world.

3 BELIEFS

As a Member of the Baptist Union the Church subscribes to the Union's Declaration of Principle:

"That our Lord and Saviour Jesus Christ, God manifest in the flesh, is the sole and absolute authority in all matters pertaining to faith and practice, as revealed in the Holy Scriptures, and that each church has liberty, under the guidance of the Holy Spirit, to interpret and administer His laws.

That Christian Baptism is the immersion in water into the name of the Father, the Son and Holy Spirit, of those who have professed repentance towards God and faith in our Lord Jesus Christ who 'died for our sins according to the Scriptures; was buried, and rose again on the third day'.

That it is the duty of every disciple to bear personal witness to the gospel of Jesus Christ, and to take part in the evangelisation of the world."

If no member/staff of TRBC is in the building, call the church staff on the numbers provided in the folder behind reception.
- Have an attendance list which is to be left on the main reception desk. This is to be removed if possible upon evacuation and used to ensure all people are evacuated or appropriate search and rescue activities take place if required by emergency services.
