Big Church Festival

28th - 31st August, Wiston Estate, West Sussex

Big Church Festival is the largest Christian family festival in the UK and has been running for over 15 years. Tens of thousands of people gather for three days in the beautiful grounds of the Wiston House Estate to worship God in the company of some of the best Christian artists in the world. This year, Big Church Festival is taking place over the August Bank Holiday weekend.

There is something for everyone, of all ages, whether it's listening to the biggest artists in the main arena or enjoying quieter music in the tea tent. You can find out more information via [their website](#).

We have been allowed to join with Kingdom Faith with their group booking, which means we get the biggest discount! You can book via [this link](#).

They do offer subsidised prices, but if you can't afford to go and would like to, please speak to Pastor Jon.

Emergency Contacts

The leadership team has considered pastoral and emergency response to trauma during church services.

In the event of an incident, a leader or first aider may call the emergency services. The leader(s) present may be asked by ambulance paramedics for the emergency contact(s) of the person involved in the incident. The emergency contact is often a close relative or friend.

We are therefore asking anyone who regularly attends the church to consider providing emergency contact details for someone who won't be in the building, so we can contact them in the event of an emergency during the church service.

Please read our [Privacy Notice](#) regarding how we will handle the information you provide.

We will then need the following details:

Their name, relationship to you, and telephone number (mobile preferred).

If you are comfortable providing your emergency contact details, please send them to the Church Administrator, Faith Aldridge, at administrator@trbc.info, or fill in the card on Sunday and place it in the box on the Information Desk. She will record them securely.

It is entirely your decision whether or not to provide them.

Volunteer sign-up

We hope to run lots of different events at TRBC but to do this we need your help! We would love to have a 'bank' of volunteers who we can call upon to help at different events at TRBC. This doesn't commit you to every event, but helps us to know who to ask! Feel free to tick more than one!

You can either fill in the form [online here](#), or fill in the paper copy, which is available on the Information Table on Sundays.

Parking when visiting our building

We have received an email from a local County Councillor about where some people park when they visit the building. If you usually park in the Kempshott Road area, please read the following message that they have sent through:

"There is some concern from residents of Kempshott Road that pressure is being put on parking in the area by events at the Baptist Church, which is making it difficult at times for them to park anywhere near their homes. Although the nearby roads are not restricted and available to anyone for parking on a first come first served basis, I wondered if it was possible to try to discourage people using your facilities from parking in Kempshott Road or Trafalgar Road south of West Parade, as those areas do not have off-street parking for residents and road space is at a premium."

A reminder to also respect our neighbours by ensuring that your car does not overhang into people's driveways, as this makes it very unsafe for them to get out of their driveway, especially on an increasingly busy road.

You can read more about our journey toward this vision in our [Vision Booklet](#).

Our **Values** are to be **Welcoming, Caring, Listening & Sharing**

Eco Tips Calendar 2026

Eco Tips Calendar 2026 - July

[A Rocha UK](#) is a Christian Charity working to protect and restore the natural world and is committed to equipping Christians and churches in the UK to care for the environment.

They have produced an Eco Tips Calendar for 2026, featuring fresh ideas each month and helping foster a lasting commitment to a greener lifestyle. Sustainability isn't a one-time effort; it's a continuous journey. Small actions can lead to significant impact. Everyone can contribute, regardless of their lifestyle or schedule.

July's Eco Tip

It's Plastic Free July, and this year we're thinking about laundry, a top source of microplastic pollution. Fibres from synthetic clothes (polyester, nylon, and acrylic, for example) shed tiny fibres during washing and drying. These enter the sewage systems and are hard to filter out. Use a microfibre bag or ball to catch the fibres.

[Learn more about reducing plastic pollution in the laundry process](#) and more about this year's campaign at plasticfreejuly.org
